

Lesson 87: Talking About the Weather

Exercise 01

Vocabulary

adjust	(V)	to change something slightly	Once you move to another city, it's really hard to adjust to the lifestyle people have there.
humid	(ADJ)	hot and slightly wet	The air is usually more humid in the morning.
overcast	(ADJ)	cloudy and dark	I really love it when the sky is overcast . The view is so marvelous.
sunbathe	(V)	to sit or lie in the sun in order to get a tan	Those girls love sunbathing . They really enjoy the summer heat.
incredibly	(ADJ)	extremely	Opera is incredibly beautiful.
heatstroke	(N)	a fever caused by being in a very hot place for too long	Heatstroke is quite common in the summer season, so you need to keep yourself hydrated all the time.

Exercise 02

Dialogue Practice

Read the dialogue aloud with your teacher.

David and Jessica talk about the weather.

David

Hi! It's been a long time since we last talked. How have you been?

Jessica

I've been quite busy. I got a new job, so I'm still adjusting to the new environment.

Nicole

What's the weather like in Seattle these days? Has it been cloudy, windy, or humid?

Hannah

It's summer, so it's quite hot here. You don't like hot weather, do you?

Nicole

No, I prefer rainy days. I actually like when it's overcast because it keeps things cool.

Hannah

Summer is so much fun. Going to the beach and sunbathing are incredibly enjoyable activities. Why do you dislike summer?

Nicole

When I was a kid, I experienced heatstroke and it was awful.

Hannah

Now I understand.

Check your understanding:

- What's the weather like in Seattle at the time of the dialogue?
- What kind of weather does David like?
- Why does Jessica like summer?

Exercise 03

Role Play

Role-play the following situation with your teacher.

Situation:

- You are visiting Europe.
- Call your friend back home and talk about the weather in both places.

Exercise 04

Discussion

- 1) What is your favorite season? What about your least favorite season?
- 2) What do you usually do when it rains?
- 3) What do you usually do during the summer?
- 4) What's the weather like in your country these days?
- 5) What do you usually do during winter?
