

## Lesson 36: Running a Fever

### Exercise 01

#### Vocabulary

<b>fever</b>	(N.)	a high body temperature often caused by a disease or infection	She caught a <b>fever</b> and had to stay home.
<b>physician</b>	(N.)	a doctor	The <b>physician</b> is ready to see you now.
<b>thermometer</b>	(N.)	a piece of equipment that is used to measure the temperature of the body or the air	A <b>thermometer</b> measures temperature.
<b>immune system</b>	(N.)	the system that protects the body from diseases and illnesses	My <b>immune system</b> is getting weak.

### Exercise 02

#### Useful Expressions

- I'm not feeling well.
- I have a fever.
- Thank you for your concern.
- Get well soon!

### Exercise 03

## Dialogue Practice

Read the dialogue aloud with your teacher.

Camel is concerned because Alex is not feeling well.

Camel

Hi, Alex! How are you feeling today?

Alex

Not feeling well. I have a fever. I took my temperature with a thermometer, and it was 39 degrees centigrade.

Camel

Oh, you're really sick. Have you taken any medicine?

Alex

Yes, I have. My mom is going to take me to the hospital to see a physician.

Camel

You should drink some fruit juice and plenty of water to boost your immune system.

Alex

Thank you so much for your concern, Camel. I really appreciate it.

Camel

Anytime. I will cook vegetables for you. Eating vegetables is good for your health, too.

Alex

You are so kind, Camel. I might not be able to go to school tomorrow. Could you please tell the teacher?

Camel

Sure! I will. Get well soon, Alex!

Alex

Thank you again, Camel!

### Check your understanding:

- What is Alex's mom going to do?
- What was Camel's advice to boost Alex's immune system?
- What did Alex ask Camel to do?

### Exercise 04

#### Role Play

Role-play the following situation with your teacher.

#### Situation:

- Your teacher is not feeling very well.
- Ask him/her what is wrong, and give a few pieces of advice on how to get well.

### Exercise 05

#### Discussion

- 1) What do you do to keep yourself healthy?
- 2) How do you take care of your friends and family when they get sick?
- 3) Did you like eating vegetables when you were a kid?
- 4) Do you think drinking plenty of water is good for your health?
- 5) Do you usually take medicine when you feel sick?
- 6) Do you know what causes a fever? Can you list some reasons?
