Wow, that's great! I'm studying Japanese literature.

Nathan

How is it going so far? Do you enjoy it?

Grace

Oh, yes. Not only do I like the lectures, but I've also met many friends.

Nathan

Sounds nice. I've met some friends as well. They are mostly gamers, and we have LAN parties every so often.

Grace

Whoa, that's cool! Sounds like you are satisfied with your situation. Are you planning to become an IT specialist? I really have no idea what I will do when I graduate, although Japanese literature is very fascinating to me.
